Waterloo Region Nurse Practitioner-Led Clinic

Partnering for a Healthier Community

Board Chair Message

On behalf of WRNPLC and the Board of Directors, I am pleased to present to you the Annual Report for 2022/2023.

The focus of this year's AGM is on celebrating the contributions of RPNs within the NPLC model. Thank you for continuously expanding your practice and learning new skills to meet the needs of our community.

The board would like to offer congratulations to the team on their leadership roles in regional, provincial, and national committees and organizations. It is through these commitments, and the day-to-day excellent service provided, that our messaging about the essential role of primary care stays in the forefront of planning discussions. While we have many partners to thank, it is the connections that make the magic happen.

Heather Cross
Board Chair

Hafsa Samad

Bill Davidson Community Service Award

Established in 2020, this annual award is given to a Community Care Provider who has made a positive impact on the Cambridge and North Dumfries and/or KW communities.

As a Registered Dietitian and Certified Diabetes Educator with Langs CHC Regional Diabetes Program, Hafsa will often volunteer her time to provide education to other health care providers via lunch and learn sessions or one on one consultations. She is always available to provide culturally competent care to patients and is an invaluable resource to WRNPLC providers. She always provides a caring and welcoming atmosphere, meeting patients where they are at, and adjusting her education to fit their capabilities. She is dedicated, hardworking, and makes a real difference in the lives of those she serves.
